

REMARKS

This is in response to the Office Action that was mailed on September 29, 2003. On July 25, 2003, Applicants filed an Amendment in response to the outstanding Office Action. The 29 September Office Action alleged that there were certain informalities in that Amendment. A telephone conference with Examiner Coleman on October 1, 2003 revealed that the PTO is apparently working from an application text that differs from the text filed by Applicants. The purpose of this Supplemental Amendment is to resolve the apparent discrepancy.

CLAIMS. All of the claims that were in the application are cancelled, and replaced by corresponding claims 17-25. New claims 17-25 correspond to the claims that were on file as of the 25 July Amendment. Specifically, new claim 17 corresponds to former claim 1, new claim 18 corresponds to former claim 4, new claim 19 corresponds to former claim 6, new claim 20 corresponds to former claim 7, new claim 21 corresponds to former claim 15, new claim 22 corresponds to former claim 16, new claim 23 corresponds to former claim 8, new claim 24 corresponds to former claim 12, and new claim 25 corresponds to former claim 14. No new matter has been introduced. Claims 17-25 are in the application.

SPECIFICATION. This application was filed on August 23, 2001 as a continuation of PCT/DK00/00202. The application text consisted of a title page with an Abstract and 58 numbered pages, bearing the specification and claims. Each numbered page bore the

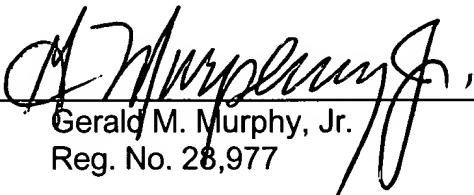

notation "PCT/DK/00202" in its upper right-hand corner. The Examiner's attention is respectfully directed to the transmittal letter filed with the application, which expressly mentioned "A specification consisting of Fifty-nine (59) pages". If the application file in the possession of the Examiner does not contain the 59 pages filed by Applicants, the Examiner is respectfully requested to secure a copy of PCT/DK00/00202 (published as WO 00/64885) to use for examination purposes.

If the Examiner has any questions concerning this application, she is requested to contact Richard Gallagher, Reg. No. 28,781, at (703) 205-8008.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 02-2448 for any additional fees required under 37 CFR 1.16 or under 37 CFR 1.17; particularly, extension of time fees.

Respectfully submitted,
